### SHARE Bonus Pool 15%

BONUS POOL

The SHARE Bonus Pool represents 15% of total commissionable sales volume in the SHARE phase of the nuriche™ Compensation Plan. The pool is divided monthly by all SHARE AutoOrder Distributors whose personal activity creates "NEW" sales volume in a calendar month and earn at least 10 Activity points in that month. SHARE Pool Pays Out Over 4 Months

#### ACTIVITY POINTS ARE AWARDED FOR:

- Personally Sponsored
- New Retail Customers = 1 point
- New AutoOrder Customers = 3 points
- New AutoOrder Distributors = 7 points
- Total New Group Volume in SHARE Generations 2 thru 4 divided by 120 = "x" points

Pro-rated shares of the SHARE Bonus Pool are calculated by dividing accumulated points earned for your specific new business building actions, by total points earned by all other qualifiers in that month, and states as a percentage of the total points earned. Your share of the SHARE Bonus Pool will equal total dollars in the pool X your prorated %.
